nt **MOVED DOWNTOWN OFFICES**
n

ls Lansing Symphony Orchestra (LSO), one
g of mid-Michigan's cultural gems for the
n past 85 years, has moved their offices.
For the past six and half years, the LSO's
administrative offices have been on the
fourth floor of the Lake Trust Credit
Union building. Now moved to the heart
of downtown Lansing, they occupy the
third floor of the MSU Federal Credit
Union on Washington Square.

The LSO features a roster of professional
musicians, a committed board, an active
group of volunteers and a dedicated staff.
Each year, they reach more than 20,000
people through inspiring performances
and educational programs in the Greater
Lansing area.

In their 86th season, the Lansing
Symphony is proud to present a wide
variety of musical performances, ranging
from the MasterWorks Series, which
presents world-class guest artists and
great works of the orchestral repertoire,
to the Pops Series, which each year brings
new audiences to the orchestra through
popular music and exciting programming.

In addition to presenting the finest in
orchestral performances, and along with
a Chamber and Jazz Band Series, the LSO
is committed to taking an active role in
the development of music education
programming for the community.

Contact information for the LSO office
has stayed the same. Patrons can still
